UP-STATE TROLLEY ENTERPRISE.

Plan to Build a Continuous Line From Utica to Binghamton. Utica, Jan. 13.-From Utica to Bing-

hamton by trolley, by way of Hamilton and Norwich, may be the ultimate outcome of a new and important railroad enterprise launched in this city last night by the formation of three companies for a single purpose—the construction and operation of an electric road from Clinton to Waterville and from Deansboro through Oriskany Falls and on south to Hamilton, taking in all the towns between. Trolley enterprise has hitherto been di-

rected to the east and west of this city, rected to the east and west of this city, in harmony with the general trolley movement through the State, which is resulting in the gradual establishment of a continuous electric line from Albany to Buffalo. Prominent men in Oneida and Madison counties are back of the new enterprise, and it is in these two counties that the lines will first be constructed. Headquarters will be in this city. It is the aim of the companies or company, for it is all one enterprise, to extend the line after it has been running a while from Hamilton to Norwich. Thence to Binghamton is but a step, so that the near future will see the populous territory lying between here and Binghamton brought into easy comand Binghamton brought into easy com-munication with Utica. Oriskany Creek will be harnessed to supply current for the operation of the proposed line. Ex-Sena-tory Henry J. Coggeshall is president of

The Realty Auction Market.

A very ordinary week's business was transweek. Foreclosure sales of flats and tene-ments comprised the greater part of the budget. Outside buyers secured only one or two of the parcels, the majority of the offer-ings going to parties in interest. The only sale which gave promise of interest, that affecting the Harlem Club's property at Lenox avenue and 123d street, was adjourned to January 31. A loft building in Greenwich street, near Vesey, was bought in by the plaintiff at \$42,500.

A long string of voluntary sales scheduled

for Tuesday makes up practically the entir list for this week. The usual run of flats and net for this week. The usual run of nats and tenements are represented, together with a sprinkling of small private dwellings and several vacant plots on Washington Heights. A brown stone dwelling in Twenty-fifth street, near Sixth avenue, and a similar building in Seventy-second street, near West End avenue, are also scheduled to go under the hammer.
